## About Us

Velsoft Software Solutions has been a pioneer in delivering custom ERP software in Thoothukudi for 24 years. Our journey began with a small team dedicated to providing quality solutions to the local market. Today, we extend our services across South Tamil Nadu, consistently delivering high-quality, affordable ERP solutions. Our commitment to building long-term partnerships is reflected in our prompt post-implementation support and continuous enhancements tailored to evolving business needs. Choose Velsoft for cutting-edge technology, reliability, and a partner invested in your success.

## OUR VISION

Velsoft will be providing ERP software development business specific products using latest technology to businesses throughout the region.

## OUR MISSION

To be the global leader in ERP software development Services. Building on our technologies, competencies and customer interests, and creating value for our stakeholders and customers.

## CORE VALUES

Our staffs includes well experienced senior consultants, software engineers, project managers guiding our customers as they navigate through deciding the right software for their business.
